**BUDGET**

HOUSE REPUBLICANS

REP. JASON SMITH, REPUBLICAN LEADER

**When asked to defend a massive spending agenda, President Biden said:**

***“What would they have me cut? What would they have me leave out?”***

**We are glad you asked, Mr. President.**

### **Sky-High Spending**

Dickinson County, MI is spending \$747,443 from the COVID-19 focused American Rescue Plan to cover the cost of building an airport hanger to house, among other things, a World War II bomber:

*“Much of the hangar will be leased to commercial interests while the county plans to have offices for its own use and a storage area to ease courthouse demands. The hangar...[will also house “The Silver Dragon,” an A-26 Invader...](#)”*

With Democrats at the controls, Washington has condoned this type of misuse of federal tax dollars while also sending spending sky-high – another [\\$10 trillion](#) high, to be exact.

All that spending has also created plenty of headwinds for American families – a 40-year high inflation crisis, rising interest rates, increasingly unaffordable homeownership, and so on.

Stay tuned for more.
